OUR GUIDELINES TO THE NEW COVID-19 PUB RULES

We own three fantastic local freehouse pubs, **The Pymore Inn, Bridport, The Elm Tree in Langton Herring and The Antelope in Hazelbury Bryan.**

Each one has its own unique charm and our mission is to create a truly memorable experience. As part of this, we place the utmost importance on the safety and wellbeing of our customers and staff.

We have introduced a range of new health and safety measures that seek to reduce the risk associated with COVID-19 that are in line with the most recent government advice.

Some of the measures set out below will be clearly visible to you whilst others require consideration from customers to help ensure everyone has a safe and enjoyable time.

BEFORE YOU ARRIVE

- You are advised to bring your own suitable face mask / covering to enter our pubs
- Please make sure you have made your booking in advance, where possible. Our contact details are at the top of this page.
- Register your contact details on the pub website – this is a request from the UK Government

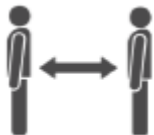

- We politely request that you don't visit our pubs if you are displaying any of the symptoms associated with COVID-19
- Please contact the pub by telephone to change your booking

- To help reduce the need for contact with our staff, please be ready to make on-site payments using a bank card, contactless if possible (up to the £45 limit)
- If you prefer to pay using cash, please help by letting our team know when you arrive

ON ARRIVAL

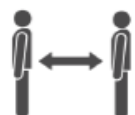

- Due to social distancing, we have significantly reduced indoor capacity. All of our pubs have large gardens and the tables/seating have been carefully laid out to allow for social distancing and the best possible customer experience
- In light of this, you may need to wait upon arrival as we prioritise social distancing. Please wait in an orderly way, at an appropriate distance from other customers

- Customers will notice new information signage informing them of key safety messages and instructions

SOCIAL DISTANCING MEASURES

- We have introduced new arrangements for the application of social distancing within queues. Please respect these
- Clear markers or signage have been installed in our entrances, car parks, gardens, and toilets to help customers keep a safe distance from one another
- Our staff will monitor the queues/garden / indoor spaces to ensure that social distancing is being maintained

- We have installed new hygiene screens at all of our bars and till points to help physically separate customers from staff

- We have introduced new capacity limits for our seated and eating areas both indoors and in our pub gardens. These changes are to ensure appropriate social distancing.
- We have revised some of our standard ways of working in order to reduce the proximity of our staff to our customers
- A dedicated member of our team will look after you and take your food & drink orders directly from your table
- They will deliver your food directly to your table together with cutlery & condiments
- You can place orders for extra food or drinks at any time, directly with them
